

GYRL 119 - POLITICAL SCIENCE - Gülşehir Sosyal Bilimler Meslek Yüksekokulu - Yönetim ve Organizasyon Bölümü

General Info

Objectives of the Course

To equip students with a comprehensive understanding of the fundamental concepts and theoretical frameworks of political science. This foundation aims to enhance their ability to critically interpret historical events, develop a deeper comprehension of contemporary political developments, and construct well-informed, accurate projections regarding future political trends through a robust scientific perspective.

Course Contents

The course will cover the fundamental concepts of politics and political science, including power, political power, sovereignty, and the role of elites. It will explore key topics such as the state, constitution, and democracy, as well as the dynamics of political forces, political parties, pressure and interest groups, and public opinion. The course will also examine the relationship between individuals, society, and the state, along with electoral systems, political systems, political culture, and political participation. Additionally, it will address the concept of ideology and contemporary political ideologies, with a special focus on the Turkish political system.
