

GYRL 123 - SOCIOLOGY - Gülşehir Sosyal Bilimler Meslek Yüksekokulu - Yönetim ve Organizasyon Bölümü
General Info

Objectives of the Course

The aim of this course is to enable students to understand society, social structures, institutions, and relationships from a scientific perspective. Students will develop sociological thinking skills, allowing them to analyze, interpret, and critically evaluate social phenomena.

Course Contents

The course begins with an introduction to sociology and its historical development. It covers key topics such as social structure, culture, socialization, social stratification, deviance, institutions (family, religion, education, economy, politics), social change, globalization, and contemporary sociological issues. Theoretical approaches such as functionalism, conflict theory, and symbolic interactionism are also discussed.
