
NEVSEHIR HACI BEKTAŞ VELİ UNIVERSITY
PRINCIPLES REGARDING THE DETERMINATION of
GRADUATES WITH DEGREE

1. Grading is done for each academic year on the grades entered in the information system at the end of the spring semester among students who have graduated by 1 August.

2. If the graduation ceremony is held before the spring semester exam results are announced, the temporary list created by taking into account the grades at the end of the fall semester of the relevant year is used. Subsequently, the final list is created as specified in Article 1.

3. Ranking students are given a letter explaining their situation by the academic units. The letters of university-wide ranking students are given by the Rectorate.

4. Success ranking is made according to the cumulative grade point average (GANO).

5. Students who have not taken more than one third of the credits required for graduation from Nevşehir Hacı Bektaş Veli University cannot hold a degree.

6. Those who receive a more severe disciplinary action than the "REPRIMAND" penalty cannot be ranked.

7. Students who have not completed their internship by 1 August cannot hold a degree.

8. Graduating students are ranked on academic unit basis according to GANO (with an accuracy of two digits after the comma) from high to low. The same ranking is made at the University level according to the degree of graduation (Undergraduate and Associate Degree).

9. As a result of the ranking, among those who graduated within the normal education period or in less

a. Top three in each academic unit and

b. The top three students at the level of undergraduate and associate degree programs are determined throughout the University.

10. The list of the top three at the academic unit level is prepared by the relevant academic unit, and the list of the university-level degrees is prepared by the Registrar's Office.

11. In case of equality in the ranking made according to GANO, the relevant degree is shared among these students.

12. Special students and exchange students coming to our university are not included in the success ranking.

13. After the grades are awarded, if it is revealed that a mistake in fact has been made, the grades awarded will not be withdrawn, and students who are placed in the rankings are given a letter explaining their situation.

14. After the enrollment, if the academic unit where the students are affiliated has changed, the students are considered in the academic unit in which they have received more education on a semester basis. In case of equality, they are evaluated in the academic unit where they first registered.
